

Faith Hope and Love (Devotions For Women) (Volume 2)

Have you ever taken a close look at the words Jesus spoke? Do you know He once asked His disciples the question, What do you want? Do you know He said, The words I have spoken to you are spirit and they are life.? Do you know what that means? Would you like to? This devotional-study takes a close look at the words of Jesus: Gods words spoken directly to common people about love, about life, about heaven, about His Kingdom. Are you interested in what God has to say about Himself? About us? About what real life is? Come along on a journey with me to look at faith, hope, and love through the words of Jesus. Theres no better source for the truth. And Ive discovered theres more to His words than we see on the surface because they are not merely words, theyre spirit and life. They can be the source of more faith, hope, and love in you. They can help you discover what you truly want more than anything. **Faith Hope and Love is the second book in a devotional series for women.
