

## French Verbs

Approximately 300 of the most frequently used French verbs are presented in the form of clear, easy-to-read conjugation tables. Arranged alphabetically by infinitive, one verb per page, each verb is defined in English. At the bottom of each page are sample sentences and related words and expressions. The book also includes thorough instruction in verb usage, as well as a listing of verbs that are conjugated like the main verb. Titles in Barrons Verbs series are shorter versions of Barrons 501 Verbs series. These smaller-format references make handy sources for language students, teachers, and translators.
