

1001 Most Useful Spanish Words (Dover Language Guides Spanish)

Students of Spanish will find here an enormously useful aid to building their Spanish vocabularies. Included are definitions of common Spanish words arranged by such categories as foods, numbers, days of the week, months, colors, the seasons, and family. The heart of the book is a dictionary, from a to zapato, in which each word is used in a Spanish sentence (with English translation) demonstrating its proper use. This useful learning and teaching tool was compiled by Seymour Resnick, a noted language teacher. It belongs at the fingertips of anyone studying the Spanish language.
