This book is a comical romp through the joys of womanhood. Its great to be a woman . . . most of the time. Lisa Birnbach, Ann Hodgman, and Patty Marx have come up with 1,003 hilarious reasons why its great all of the time. Proof: bikini waxes.* Women have a better instinctive sense of how to bag items in the supermarket.* When we get that tone in our voice, youd better listen up.* Nothing wrong with us that a Frappuccino cant fix.* Without ever having been there first, we know our way around every Target, Wal-Mart, Kohls, and Kmart.Youll laugh out loud at these outrageously funny stands on the sisterhood of femininity. 1003 Great Things About Being a Woman is the gift book every woman must own!
