

A Study on the Ten Commandments

About this Book: Draw closer to God through A Study on the Ten Commandments. This simple two-week devotion is intended to help you dive into a deeper understanding of His guidelines for living a God-protected life. Each day focuses on one of His Ten Commandments: What is it? Why does He ask this of us? How can it apply to me in today's world? This study includes daily Memory Verses as you strive to hide His word in your heart. About the Author: Molly Jo is simply a woman after God's own heart. In her own words, I'm not perfect. I'm just an ordinary woman getting through an ordinary life with an extraordinary God. These are just some of the lessons I've learned.
