

All The Scriptures You Need To Know About The Last Days, A Study Guide Of End-Time Scriptures

Have you been confused more and more by what you have heard concerning the teachings of end-time scriptures? Have you felt reluctant to study the subject because of fear and uncertainty? The Word of God is written plainly so we will know!. Compiled in this book are the many scriptures concerning the last days. They have been put in topical arrangement for more orderly and enjoyable study. Some of the topics include: A harmony of the three Gospel accounts of Jesus discourse concerning the end time. The Second Coming of Christ. The Rapture, or Catching Up. Antichrist and the Abomination of Desolation.. For those whose desire is to learn for themselves the full message of the Word on this subject, this study guide is furnished for the instruction and building up of the Body of Christ.. Shortly after I got saved, I learned one theory of end-time doctrine, namely that there will be a time coming in the not-too-distant future that will be a living hell on earth, ruled by a world dictator called the Antichrist. I was also taught that we didnt have to be concerned about this coming hell, because Jesus would come and rapture all of us Christians out of here before it got too bad.. Later, I was taught differently. I was taught a partial rapture, where some Christians go up before, some during, and some after the tribulation. So who are you going to believe? Someone has got to be wrong, and someone has got to be right. As we shall see, the Word of God is right!. Eventually I came to the point where I threw out of the window everything I was taught about the events of the last days, and started from scratch. I searched the scriptures for myself.. You see, I had noticed that people who grow up in the Lord are taught from the very beginning what someone THINKS about end-time events, instead of being led directly to the Word of God.. So I started reading the New Testament and the prophets, pulled out just about every

scripture dealing with the subject, and arranged them in a topical manner.. In this book I have listed all the important scriptures we need to know in order to understand the full meaning, context, and background of the New Testament teaching of end-time events. Many of the subjects that we hear little or nothing about have been listed here.. What I have done is compile the many scriptures concerning this subject and put them in topical arrangement for more orderly and enjoyable study. So I have done all the work necessary for you to get your own overall view of these vital topics.. You see, what people have done in the past is read certain passages (say, for example, in the book of Revelation), and force the rest of the New Testament scriptures to fall in line with their doctrine of the last days.. What we must do is read what Jesus clearly said about this in the gospel accounts, plus what is said in the epistles in plain and simple language, and with this information in our minds, relate all this to the books of Revelation and Daniel and others.. Then it will all fall into place by the help of the Holy Spirit who is our Teacher, who brings scripture to our remembrance, who leads and guides us into all truth, who speaks to us and shows us things to come.. The very word revelation means a revealing, an unveiling; not a hiding. However, the Truth of the scriptures is hidden from the world; but it will be revealed to those seeking the truth with a meek, teachable spirit..According to Daniel 12:9-10: And he said, Go thy way, Daniel; for the words are closed up and sealed till the time of the end. 10) Many shall be purified, and made white, and tried; but the wicked shall do wickedly; and none of the wicked shall understand; but the wise shall understand.
