

Powerful Immune System: An InnerTalk Subliminal Audio Program (Day & Night Versions)

Whole Brain InnerTalk is a patented technology that has been independently researched and demonstrated to be effective. All positive messages are delivered to the subconscious mind using a special shadowing techniques. These positive affirmation replace old, negative, self-limiting self-talk, and therefore enables you to find success in whichever area you choose. All programs come with a complete list of the affirmations. The mind/body connection is well-established in scientific literature. Now you can use your mind to bolster your immune system and mobilize your bodys own natural defenses. Sample Affirmations: My immune system is strong. My body creates antibodies. My cells replicate perfection. My cells remember and produce health. I enjoy optimal health, etc. About the Author: Eldon Taylor is an award winning, New York Times best selling author of over 300 books, and audio and video programs. He is the inventor of the patented InnerTalk technology and the founder and President of Progressive Awareness. His books and audio/video materials have been translated into more than a dozen languages and have sold millions worldwide. Eldon is the host of the popular radio show, Provocative Enlightenment. Note: Our programs are for educational and spiritual purposes only. No therapeutic claims of any kind are made regarding these recordings.
