

Prayer Practice for Kids: A Christian Prayer Guide to Build Praying Boys & Girls (The Titus 2 Homemaker Teaches (Kids))

Are You a Christian Kid? Maybe you think praying is hard. Or maybe you find yourself saying the same things every time, because you don't know anything else to say. Or you run out of things to pray for. If any of those things are true, this book was written for you. It's full of challenges to help you learn to pray more, longer, and in a more meaningful way. Are You a Christian Parent? Teaching our kids to pray can be a challenge. The basic idea of prayer -- talking to God -- is pretty simple, but the nitty-gritty can be tricky to explain.

This book was written as a tool for preteens, to help them practice prayer. (Kids a little younger or a little older can probably benefit, too, but the target age range is roughly 10-12.) It's written directly to your child, in plain language, and introduces a variety of prayer concepts through a series of challenges. The bite-size pieces help keep it from being overwhelming. Download it today; there's nothing better you can do for your child than to invest in his spiritual growth.
