

Essential Oils For Beginners: Essential Oils For Beginners: How To Use The Essential Oils To Maximize Your Health And Longevity (Essential Oils And Aromatherapy) (Volume 1)

Transform your health with the definitive beginners guide to Essential Oils! Get 2 FREE Ebooks with this guide Are you ready to improve your health and vitality with the use of natures greatest medicines? Allow me to introduce you to the world of essential oils and aromatherapy. In this book there is absolutely no prior knowledge required, and everything is explained in simple, easy to understand steps. There is simply nothing more important in life than good health. Health is either the facilitator or the limiting factor in doing and achieving what you want from our time on this gorgeous planet. What if I told you I could teach you a natural treatment that takes care of both your mental AND physical health at the same time? What if I could teach you how to cure your common cold without the use of drugs? What if I could teach you to start the day exploding with motivation and energy, whilst finishing the day calm, content and stress-free? All of this and SO much more is possible through the proper application of essential oils. Let me introduce you to the amazing world that is going to transform your life. Here is exactly what you will learn whilst reading this book A history of the essential oils What exactly essential oils are The 3 key techniques for extracting essential oils and an explanation of grades A guide to buying essential oils The 3 important ways to administer essential oils How the essential oils work in the body 10 important rules of safety A detailed guide to the 30 most important essential oils What are the carrier oils and how to use them A detailed guide to the 10 most important carrier oils A detailed guide to using massage in aromatherapy practice 12 of the most helpful recipes and remedies for everyday use, ranging from preventing hayfever and allergies, to solving insomnia and clearing acne! Buy now to begin your journey through the exciting world of essential oils

and aromatherapy!
