

A Handbook for Followers of Jesus

What will this book do for you? It will take you by the mind and lead you, in plain language, to an understanding of the kind of person Jesus is, the kind of person you are, and the kind of person you can actually become. It will take you by the heart and teach you about praying effectively, witnessing consistently, and establishing proper dating habits. It will take you by the will and show you how to keep free from the old entanglements, how to prepare for the future, respond to the establishment, select helpful music, face the claims of modern science and modern cults, and most of all—how to cope with yourself.
