

30 Day Prayer Journey for Wives

Prayer is a powerful weapon and we should all utilize it--daily! In regards to our marriage, it can literally be the glue that keeps us together long enough for God to move! We should be praying diligently for our own hearts, our husbands, and for the overall integrity of our marriages. This prayer book is a journey we will go on together. It will take us to the deepest parts of our souls, and onward towards the victories that I believe are only faithful prayers away!
