

## The Salvation Epistle (A Fathers Epistles Book 5)

The reason I wrote The Marriage Epistle, is because I knew someone who who wanted to get divorced because they did not see Gods purpose in their marriage. It caused them to question the love of God and to ask questions that no one seemed to be able to answer. I could have written this as a theology letter, but truly, I felt that the answers meant nothing unless it was an expression of Gods love. So, I wrote The Marriage Epistle, as a first person love letter from God the Father. I do not want to insinuate that God came down in my living room and told me to write down these words like He did for John in Revelations. He did not do that. These letters are meant to be a prose taken from the amalgamation of scripture and things that I feel that my God has revealed to me over the years to help me fall in love with Him. I cannot love someone who would allow me to go to hell or allow horrible things to happen to me. Rather than compartmentalize events that seem contrary to the acts a loving Father would initiate, I have gone after Him, asking Him to explain. This letter is that answer. Ultimately, the secret for Christianity can be found in Ephesians 2:18-19. We all need supernatural power to KNOW how wide and long and high and deep the love of God is for us. It is not obvious. It is not easy to realize. But if we can KNOW it, then there is nothing impossible for us to feel, for us to do, for us to be. I wrote The Marriage Epistle, so that, maybe, someone can discover a piece of that supernatural knowledge that can evolve into our lives accomplishing the impossible. I have had that experience a few times. A preacher, a book, a friend; something gets said or read and I am transformed forever. My hope is that this letter may do that for you. But my prayer is that God becomes present as you read The Marriage Epistle. I pray He becomes real, even if you have felt Him a million times before or you have never felt Him at

all. This has happened for others; sometimes, this letter has turned someones life upside down. I hope it does the same for you because God is real. He is in love with me. He is in love with you. And if we could grasp that, we could change everything, including ourselves, our neighbors, and even the world.
