

The Best of Gay & Lesbian Films: The Glitter Award 2005

This is the official book of record for the 2005 GLITTER AWARDS, a Hollywood-based organization sometimes referred to as The Gay Oscars. Inside, replete with photos, are descriptions and reviews of the 36 independently produced films, each with gay and/or lesbian content, that were nominated for the 2005 Glitter Awards. This is the only book on the market which, within the pages of a single volume devoted to this intensely creative art form, combines film reviews, interviews with each film's stars, producers, and/or directors, and a compilation of what mainstream critics had to say about each film. It's also an important book of record that documents the sometimes heroic contributions of independent filmmakers to one of the world's most intriguing art forms.
