

52 Things Sons Need from Their Dads: What Fathers Can Do to Build a Lasting Relationship

Perfect? No. But you're still the right dad for your boy. Bestselling author Jay Payleitner, dad of four grown sons (and one amazing daughter), gives you a bucketful of man-friendly ideas on how to build a father-and-son relationship. Good news is, you don't have to say a lot. By your life and example, you can show your boy why it's good to be a guy—demonstrate how to treat women well, teach him to work hard and have fun, often at the same time, show him how to live with honesty and self-respect, give him the inner confidence to live a purposeful life. These 52 quick-to-read chapters offer great ways to relate or spend time as dad and son. And each idea provides a new building block for a father-son relationship that will help your boy along the path to becoming a man.
