

7 Basics

Faith is taking the first step even when you don't see the whole staircase. Martin Luther King, Jr. Congratulations! You get it! You are reading this book because somewhere along the way, you welcomed Jesus into your life. You heard about Him and something clicked. You understood the gospel and you responded to God's invitation. You may have invited Jesus into your heart today, last week, two years or thirteen years ago. You may have surrendered to Jesus at church, after hearing a sermon or through an altar call. Maybe you prayed the salvation prayer or confessed Jesus as your Lord on your own, in a quiet way or in a moment of desperation. Everyone has a unique story. You may have turned to the Lord while reading the Bible or a Christian book. Perhaps, a family member, friend or coworker led you to the Lord. Maybe you heard the gospel at a concert, in the hospital or while in jail. You may have prayed to receive Jesus into your life after hearing the gospel online, on TV, through a CD, a DVD or a download. Regardless of the path that led you to the Lord, surrendering to God and confessing Jesus, as the Lord of your life is the most important, life-transforming, eternal decision you will ever make. It's my hope that through reading this book, God connects-the-dots for you on what it means to be a Christian. I pray your Christian life gets started (or restarted) on the right foot and you develop strong spiritual roots. As you read the 7 Basics, may you gain a better understanding of God, Jesus, the Bible, church, heaven, hell and all kinds of eternal things. May you truly get a grip on these basics and develop a passion to help others get it.
