

James Kalats best-selling INTRODUCTION TO PSYCHOLOGY does far more than cover major theories and studies; it encourages you to question the information and ask yourself, How was this conclusion reached? and Does the evidence really support it? In this student-praised text, Kalat challenges your preconceptions about psychology to help you become a more informed consumer of information not only during your college experience but also as you venture into your post-college life. With his humorous writing style and hands-on Try It Yourself exercises, Kalat puts you at ease and gets you involved with what you are studying so that you can succeed in your course.

The Amazing Way to Reverse Heart Disease Naturally: Beyond the Hypertension Hype: Why Drugs Are Not the Answer, Historical and Critical Dictionary: Selections (Hackett Classics), A MiG-15 to Freedom: Memoir of the Wartime North Korean Defector Who First Delivered the Secret Fighter Jet to the Americans in 1953, The Domain of the Word: Scripture and Theological Reason, South Pacific Souvenir Folio (Songbook),
