

Friends, Boys and Getting Along (All Things Girl Book 1)

Friends, Boys and Getting Along addresses topics of true friendship, characters in the world of girls, strategies on dealing with mean girls, and strategies on changing the mean girl who might be inside of you! Since girls grow up faster in today's culture, there is a section pertaining to boys with age appropriate suggestions on how a boy should treat a girl and boy-girl friendships. This book's craft project is the Jewels in Your Crown bracelet which girls can make to remind themselves of the virtues that belong to the daughter of the King.
