

Literature Outreach in Nigeria: A History of SIM Literature Work 1901-1980

From the inception of its work in Nigeria, SIM was a mission committed to literature. Presented here is the story of how SIMs literature outreach began and developed over the decades-until missionaries handed over to ECWA, the Nigerian church that grew out of SIMs endeavours. Several who were personally involved in SIMs literature work from the 1950s onwards have told their part of this history in their own words.
