

A Habitual Sight of Him: The Christ-Centered Piety of Thomas Goodwin (Profiles in Reformed Spirituality)

Thomas Goodwin (1600-1680) was a faithful pastor, Westminster divine, advisor to Oliver Cromwell, and president of Magdalen College, Oxford. In this book, Joel R. Beeke and Mark Jones acquaint the reader with Goodwin through an informative biographical introduction. The remainder of the book, 35 selections from across the works of Goodwin, displays Goodwin's constant attention to Christ in his various theological engagements. You will learn much about the life and works of this influential Puritan, and perhaps, be strengthened with a habitual sight of Christ.
