

A Handbook for Preparing Graduate Papers in Music

The purpose of *A Handbook for Preparing Graduate Papers in Music* is to provide music students with some guidelines to assist in the preparation of theses, essays, dissertations, and other papers that may be written as part of their graduate program. *Preparing Graduate Papers in Music* includes information and examples for preparing such papers and is designed specifically to assist students in writing about music and in documenting references to music, music notation, recordings, and other musical resources. It is intended to complement guidelines provided by a university's graduate office and the two style manuals most used by music students, *A Manual for Writers of Term Papers, Theses, and Dissertations* (Turabian 1996) and the *Publication Manual of the American Psychological Association* (APA 1994).
