

A Mere Christian

Christians are not buckets to be filled, but fires to be kindled. What they believe and do is more important than what happens to them. My purpose in writing *A Mere Christian* is of course to share what I've gleaned from Lewis, Chamblin, and others. The closer we get to the ever-certain return of Christ for his Church, the more God makes his followers to understand what has previously been mystery. Our view of that return is closer than was Jacks and more of God's mystery is revealed. We need to know what we believe and why we believe it. Above all we need to understand just how great is our God! I am extremely indebted to C. S. Lewis and Mere Christianity. His incomparable work originated as a series of three broadcast radio talks in Great Britain during World War II. I owe many thanks also to Knox Chamblin, Ph.D., professor at Reformed Theological Seminary. His iTunes U course on C. S. Lewis taught me a great deal. Walter Hooper, Lewis' personal secretary near the end of his life, called him the most thoroughly converted man he ever knew. I am a very ordinary layman of the Church of England, not especially high, nor especially low, nor especially anything else. C. S. Lewis His humility stirs me. These men have kindled their fire in me.

Ron Smith, MD
<http://www.amerechristian.com> Reviews I think it is an excellent read to convey Christianity. By including some apologetic content about God, the theory of evolution, and mankind's inner moral conscience, you provided a groundwork for removing stumbling blocks for many in this generation. Your use of Scripture was effective. I wish you all the success. -Rick Reynolds, D.Min

Book Review of *A Mere Christian* (9780985823924) Foreword In the classic *Mere Christianity*, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian C. S.
