

A Place In Gods Heart

Finding joy in the presence of God If youve ever thought There just has to be something more to the Christian life than this, you need to discover A Place in Gods Heart. Using words that drip with encouragement, and illustrations that radiate with warmth, author and speaker Kay Rizzo shows us that living in the continual essence of Gods divine presence is the something more weve been craving. The secret of contentment, the guarantee of abundance, the heart of worship, the solution to spiritual thirst, and more are contained in the joy-filled pages of this spirit-rejuvenating book. Devotional exercises concluding each chapter will help you apply the principles of abundance to your own life.
