

Abandonment to Forgiveness (Freedom Series)

At some point in every woman's life, a feeling of abandonment causes deep-rooted pain and insecurity. Maybe you've experienced a father leaving your family, or a husband who walked out on you. No matter the extremity, God cares for you and wants you to feel completely satisfied as his precious child. It's okay to have heartache over the people in this world who have misused your trust; this fallen world has its fair share of bruises to the heart. But God has a comfort like nothing else on earth, and this booklet will guide you through the steps to feel complete peace once again. Michelle Moore tells her story of having been abandoned by her mother when she was young. Her mother changed her identity and disappeared for nearly 18 years. To make things worse, her parents had divorced, and her father had remarried and didn't want her to live with him. Just how awful am I? she asked, That not even my own parents want me? Michelle's life was marked by sadness, fear, and pain. But God had a bigger plan for her? and for all those who suffer rejection and hurt. Abandonment to Forgiveness includes a Bible study by Paige Henderson that highlights God's loving promises to all who suffer from fear and insecurity. She reminds us of the story of Joseph, who suffered abandonment and betrayal, and went on to forgive and find strength. In the last section, licensed counselor Sharon Kay Ball, walks you through the steps of grief and rebuilding your life through practical advice and biblical counsel. Abandonment to Forgiveness will bring you hope and wholeness. It will speak to your heart and will strengthen your faith. It includes questions and Scripture passages? along with space to journal. These books are for women who need God's restoration and wholeness after the hurt and destruction of divorce, rape, paralyzing fear, abandonment, abuse, illicit affairs,

and other tragedies. See What Others Are Saying.....About the Freedom Series...The Freedom Series deals with many issues that I have come across during the decades I have counseled people at my church. Each book is great for its designed application. However, the Fear to Courage book stands out the most to me since so many are driven by fear. This book is so Bible-based, very direct, easy to understand, and also applicable. It is refreshing to have a resource that doesn't just talk about an issue, but shows how to apply biblical concepts to it. I highly recommend this series! Marlene Mancuso Harbor City, CA Life is like a priceless crystal vase which falls from a safe shelf and explodes. Shatters. Broken. In a thousand ways we feel the pain of life. Oh it hurts . to the point of hiding. Despair becomes relentless. Hate begins to consume us. Disillusioned. We search for wholeness. We pray. We need someone to show us how to pick up the pieces of our life. And then one day God answers our prayers with The Freedom Series. Lunch-size substantial intelligence from authors, with real stories of their own divorce, rape, paralyzing fear, abandonment, abuse, illicit affairs, and other tragedies. Each mini-book offers rich Bible based hope from God, expert counselors and no-nonsense how to recover steps. All designed so you can be free to smile again, trust wiser, grieve effectively and live with joy. Pastor Roger Ball Pastor of First Baptist, Tempe As a woman's ministry leader, I've seen the devastation of divorce crush a family. The loss of hopes and dreams, plus the fear and anxiety about the future, often cause women to go into a downward spiral. Without any help, many times the numbness and fear can cause them to make poor choices. The Freedom Series gives me tools to help them. The books are on the topics I face regularly: divorce, abuse, fear and anxiety, and recovering from affairs. I strongly recommend this series.
