

Why Should I be the First to Change?: My Spouse Wont Change, Why Should I? (Plain and Simple Series)

This is Nancy's first book. It's the story of the amazing turnaround of Chuck and Nancy's 20-year Christian marriage which reveals the dynamic secret that released the power of God's Love already resident in every believer. It's a riveting, yet easy read. If you had seen Chuck and me, on the outside we might have looked like a fairy tale couple. On the outside we looked like we had the perfect family, with everything anyone could ever want. But on the inside, we were like so many people you see today: totally empty, unfulfilled, experiencing no real love, no meaning or purpose to their lives. In this little book, Nancy intimately chronicles the failure of her own marriage and the Godly key that eventually turned it around. That key is learning the difference between God's Love and human love and how to give everything over (even our hurts, fears, doubts, etc.) over to the Lord. He is the One who teaches us to love, not as doormats but wisely. Is your marriage relationship all that you want it to be? If not, *Why Should I be the First to Change* is just the book for you.
