

# Problem Solving Survival Guide Vol. I, Chs. 1-12 to Accompany Accounting Principles

This is the Problem Solving Survival Guide, Vol 1, to accompany Weygandts Accounting Principles 8e. This engaging book lays the foundation for readers to succeed on the CPA exam and ultimately in their professional practice. The new edition continues to reflect the conversational style and clarity that has made this a leader in the market. It explores the key concepts and principles while using the PepsiCo financial statement to clearly show how the information is applied in the real world. The book has also been updated with the latest data as to reflect todays business environment.
