

## Acts Devotional Guide, Volume 2

Our tendency when we read the book of Acts is to elevate guys like Peter and Paul to a heroic status. To be sure, they deserve honor and gratitude. We are here today because of their faithfulness. But, as Paul says in Acts 14, they are simply men, of like nature with us. Alongside men like Peter and Paul, we will see other ordinary men and women like Barnabas, John Mark, Lydia, Priscilla, and Aquilla. We see companions like Luke, Timothy, and Titus, as well as a myriad of men and women who are not named, in other words Normal People. All of these are used by the Lord for his mission. Our hope for Acts Devotional Guide, Volume 2 is that we would link arms with them, as ordinary men and women in the hands of an extraordinary God called and sent on God's mission to make disciples and plant churches to the ends of the earth. About Exodus Church In the Bible, we read the Exodus story of God's mighty deliverance of his people from the bondage of slavery. They were delivered for a simple purpose, the same purpose we strive for as a church today. Exodus Church seeks to be a redeemed people who worship God and serve him in the world.
