

# PROFITING BY EXPERIENCE .....plus .....ASSUMING RESPONSIBILITIES (Illustrated)

Although both pamphlets were published in 1918, the advice given is quite contemporary. In the first volume the author shares his unique philosophy about life; how to face its different challenges and why it is so important to have a healthy mind and body. In the second volume the author shares his views on what it takes to become a leader and the benefits of a healthy lifestyle. Each volume will teach you the values that Mr. Fairbanks considered important to become truly successful.
