

Alternative Cures: More than 1,000 of the Most Effective Natural Home Remedies

When your health is at risk, you want to consider every option. In *Alternative Cures*, three hundred of America's top doctors and natural healers—herbalists, nutritionists, homeopaths, and naturopaths—share more than one thousand safe and effective remedies for many health concerns. Inside you'll discover a nutrient that blocks the side effects of arthritis drugs, a two-nutrient combo that can help cure chronic fatigue, an herbal cocktail that stops common flu symptoms in twenty-four hours, an amino acid that works as well as Viagra, a group of remedies that rein in high blood pressure, a natural hormone cream that rebuilds bones, a home remedy that stops sugar cravings immediately. Plus, there are easy-to-follow illustrations of healing exercises and pain-relieving pressure points along with guidance on when to seek a professional. *Alternative Cures* provides not only health advice but peace of mind. A valuable resource of alternative and integrated medicines. Elson M. Haas, M.D., author of *The False Fat Diet*
