

Anchored: Pressing On by Pressing Into the Savior

For thirteen years, Teresa spent her Sundays in church pews. She joined small group after small group and moved from church to church, but it didn't bring her peace. She was pursuing social acceptance and friendship rather than pursuing God. Have you ever felt like you were trying to find spiritual fulfillment in people rather than Christ? Or maybe you have found yourself thanking God for His provision one day and forgetting it the next. In her book, *Anchored to Christ: Pressing On by Pressing Into the Savior*, author Teresa Blondo shares her story of fitting in, and facing hardships, and how God used these times in her life to draw her to real discipleship. You will find comfort in her honesty about her patterns of forgetfulness and her struggles with finding satisfaction in Jesus. Allow her to encourage you to take hold and press into the Savior.
