

## Anna Karenina ( Russian Original ) (English - Russian) (Volume 2) (Russian Edition)

Anna Karenina, Leo Tolstoy's immortal tale of forbidden love in Czarist Russia, has been told many times and in many languages. It is the tragic story of a married woman and her affair with Count Vronsky. The novel explores a diverse range of topics throughout its pages. Some of these topics include an evaluation of the feudal system that existed in Russia at the time -- politics, not only in the Russian government but also at the level of the individual characters and families, religion, morality, gender and social class.

We give the readers the opportunity to read Anna Karenina in English and Russian languages. We provide an English translation by Constance Garnett after the original Russian text. English version in volume 1, Russian version in Volume 2. A great way to practice your reading skills and expand Russian vocabulary is through reading original written works by famous Russian authors.
