

Annes House of Dreams (Illustrated Edition)

* Beautifully illustrated with atmospheric paintings by renowned artists, Annes House of Dreams is the fifth book in L. M. Montgomerys enormously successful Anne series. It chronicles the absorbing story of Annes early married life with her childhood sweetheart, Gilbert Blythe. * Just as accessible and enjoyable for todays readers as it would have been when first published over a century ago, the novel is one of the great works of English literature and continues to be widely read throughout the world. * This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text.
