

Any Friend of Gods Is a Friend of Mine: A Biblical and Historical Explanation of the Catholic Doctrine of the Communion of Saints

The best ever explanation of the Catholic doctrine of the communion of saints written for a popular audience. Patrick Madrid explains in a clear, easy-to-follow style why Catholics pray to and honor Mary and the saints. Using the Bible and the testimony of the early Church Fathers, he provides a concise overview of the biblical and historical foundations of this often misunderstood Catholic doctrine. He also walks you through the standard anti-Catholic arguments against praying to Mary and the saints and demonstrates from the Bible why these arguments are themselves unbiblical.
