

Jimmy the Kid (The Dortmund Novel)

Taking cues from a pulp novel, Dortmund arranges a kidnappingKelp has a plan, and John Dortmund knows that means trouble. His friend Kelp is a jinx, and his schemes, no matter how well intentioned, tend to spiral quickly out of control. But this one, Kelp swears, is airtight. He read it in a book.In county lock-up for a traffic charge, Kelp came across a library of trashy novels by an author named Richard Stark. The hero is a thief named Parker whose plans, unlike Kelp and Dortmunds, always work out. In one, Parker orchestrates a kidnapping so brilliant that, Kelp thinks, it would have to work in real life. Though offended that his usual role as planner has been usurped, Dortmund agrees to try using the novel as a blueprint. Unfortunately, whats simple on the page turns complex in real life, and there is no book to guide him through the madness hes signed on for.
