

## The Oxford Quick Reference German Dictionary: German-English, English-German = Deutsch-Englisch, Englisch-Deutsch

This dictionary offers coverage of the essential vocabulary beginners will need, together with a special range of carefully structured practical language-learning features. The core vocabulary of German and English provides quick access to the 40,000 words and phrases specifically needed by beginners. Advice is given as to when and how to use each word and hundreds of examples show the dos and don'ts of grammar and usage. A pronunciation guide and verb tables give full support to the beginner and test-yourself exercises show everyday situations and how to cope with them through role play and model dialogues.
