

Beautiful Battle: A Womans Guide to Spiritual Warfare

Warfare...hell...demons...Im just trying to drive my kids to school and stay on top of the laundry. What does any of that have to do with me? Youve heard plenty of talk about evil. Youve heard about binding Satan and breaking strongholds and calling demons by name. Youve heard you should claim your victory in Christ...but youre not really sure how to do that. This isnt a book about evil. With passion and strength, Mary DeMuth brings balance and insight to the often murky realm of spiritual warfare. As you embrace the abundant life to which God calls his daughters, shell tell you why your voice matters for eternity. And on the darkest days, youll know that spiritual warfare is about bowing before the Creator, not covering before the devil. Its about finding freedom and beauty in the midst of devastation. Its about the power of God to heal our hearts, to move mountains, to intercede when were weary. Its about crucifixion and a defiant, glorious resurrection. Its about truth. Its about power. Join Mary in the beautiful battle, and be renewed on the journey.
