

## Beautiful Uncertainty

Blogger and New York Times Bestselling author Mandy Hale has shown women how important it is to be secure in their singleness by being smart, strong, and independent. In this all new book, she will prompt readers to never settle and not miss out on the beauty that can be found in seasons of waiting. Starting with relationships, but going beyond into areas like career, friendships, faith, and life, Mandy guides readers through what you can achieve if you look beyond your current circumstances, never settle for less than what God has for you, and find beauty and purpose in the waiting. Says Mandy: Whether you're walking in seeming never-ending singleness, stuck in a cycle of questioning what's next? or living with any sort of waiting: Waiting for love, waiting for babies, waiting for marriage, waiting for a cure, or a miracle, or a sign, or for GOD . . . I hope my journey will make the wait a little easier and the uncertainty a little bit more beautiful.
