

Believing Our Beliefs: Preaching on the Foundations and Evidence for New Life (Stephen F. Olford biblical preaching library)

Why do you believe what you believe? Sixteen sermons show how to live in victory through faith. The series New Life for You considers life in Christ as seed, source, start, seal, song, sense, signs, strength, and scope. The Christian Evidence series considers reasons for belief in God, Jesus and the Word. Pastors, evangelists and Bible study leaders will find these volumes a fresh resource for sermon preparation. The series is divided among volumes of topical, textual and seasonal collections.
