

BIGFOOT LITTLEFOOT AND WEST - BOX SET ONE -: Death in the Australian Outback

An Australian Comic Extravaganza. You'll either love it or hate it, there is no in-between for this masterpiece of comic invention. Bigfoot is very much an antihero, perhaps the worst cop you have ever met. He lives in a bizarre weird and wonderful world that, when you come right down to it, is the world we all live in. There's an old saying: BE THERE OR BE SQUARE, read Bigfoot or be square. Agatha Christie meets the Marx Brothers!
