

Im OK--Youre Not: The Message Were Sending Nonbelievers and Why We Should Stop

Immediately upon its publication *Im OK--Youre Not* proved so controversial that one month after its release its publisher (NavPress) recalled it from stores and wiped it from its web site. (It continued to sell in America and abroad, however, putting its publisher in the awkward position of fulfilling orders for a book of which it was ostensibly unaware.) The central premise of *Im OK* is that in their zeal to fulfill the Great Commission (Therefore go and make disciples of all ...) Christians too often--and necessarily--violate Jesus Great Commandment (Love your neighbor as you love yourself). John Shore's argument for this case--as engagingly and humorously as he makes it--is simply too powerful to ignore. And Shore doesn't make it alone. One of the most impactful aspects of this book are the statements that conclude each of its chapters, wherein non-Christians share what it's like for them to be the object of evangelizing Christians. Garnered from ads Shore ran on Craigslist across the country (and in the book presented under the subtitle of *Ouch*) these deeply affecting testimonies launched the trend in Christian publishing of books based on the value of Christians actually listening to what non-Christians have to say about Christians and Christianity. *Im OK--Youre Not* is about nothing less than the totality of the relationship between Christians and non-Christians. Shore knows what it's like to live on both sides of the Christian river: until his sudden conversion to the faith at thirty-eight years old he could not, in his own words, have been less of a Christian if he had two horns sprouting from the top of my head and carried about a trident. *Im OK--Youre Not* is Mr. Shore's splendid bridge across the deep waters that too often divide Christian and non-Christian.

How to say Im praying for you when, well, Im not. - religion Its simple. In bad relationships, bad things happen and will continue to happen if you let them. You are not your own you were bought at a price. Therefore **Five Red Flags for Christians Blinded by Romance** May 21, 2010 **Im OK-Youre Not: The Message Were Sending Nonbelievers and** published a book all about why Christians should stop evangelizing. **Im Okay -- Youre Not : The Message Were Sending Unbelievers** Apr 20, 2011 Ive always had a mixed feeling about my book **Im OK Youre Not: The Message Were Sending Nonbelievers and Why We Should Stop**.
