

Total Forgiveness

R.T. Kendall has given us a treasure the hope and possibility of experiencing incredible freedom and peace that can only come when we walk in total forgiveness. One of the core messages of the gospel is that of total forgiveness not only that we can be totally forgiven by God, but also that we must, in turn, totally forgive others. Our culture is bound up in bitterness, resentment, and wallowing in wounds inflicted upon us by others, wounds that we all too easily accept and even cling to! This revised and updated best seller lovingly challenges believers to look within and root out those hidden and hardened places where subtle resentments and areas of un-forgiveness have been allowed to remain.
