

Experiencing Christ Together: Finding Freedom and Fulfillment in Marriage

The same powerful principles from Dr. Neil T. Anderson's *Steps to Freedom in Christ* that helped set more than one million people free from spiritual bondage can now revolutionize marriages. Dr. Anderson and co-author Dr. Charles Mylander offer practical tools to help couples let go of old habits and destructive patterns, and place Christ firmly at the center of marriage. Step-by-step, they discuss ways to handle money, sex, gender differences, adultery and forgiveness. Readers will also learn how to find and speak their partners love language, resolve conflict and to call upon God in prayer to win the spiritual battle for their marriages. A thoughtful devotional guide will prompt further reflection, and discussion questions make this suitable for group use as well as personal use. A special section, *Freedom in Christ*, offers help for those battling specific spiritual or personal difficulties.
