

# BREAKTHROUGH! Develop the 7 Habits of Victorious Christian Living

Abandoned with a two-year-old baby, Jennifer spent time in jail for a crime she didn't commit, then lived on food stamps for a year before she discovered The 7 Habits of Victorious Christian Living. Now that God has brought her from riches to rags-to true riches in Christ, Jennifer is sharing these 7 Habits with the world. In The 7 Habits of Victorious Christian Living, Jennifer outlines the seven principles Paul shared with Timothy in his swan song letter. This practical teaching blends Scripture, inspirational quotes, and real life experiences that encourage you to build biblical habits that transform your life-and get rid of destructive habits that are robbing your victory. Are you ready for victorious Christian living? This book empowers you with action exercises at the end of each chapter to guide you on the path to developing victorious Christian living habits. Jennifer is news editor at Charisma magazine. She is a prophetic voice and teacher who has written several books, including Doubtless and Fervent Faith.
