

Bright Lights Paris: Shop, Dine & Live...Parisian Style

Take a life-changing journey with a fashion insider through the neighborhoods of Paris and become the most glamorous girl in town (without even trying). After spending much of her life mining the secrets of La Parisienne, Angie has discovered there are as many ways to be Parisian as there are arrondissements. Find out what Saint Germain women wear, where Canal Saint Martin girls shop and hang out with their friends, the decor tricks of the artistic ladies in Montmartre, and how to cook and entertain as if you just rolled out of bed and onto the cobblestone streets of Le Marais. Featuring hundreds of stunning photographs and original fashion illustrations, as well as fabulous tips from celebrities, fashion designers, bloggers, chefs, and more!
