

Hazing 101: How We Did It and Why We Did It

They called us bullies and they called us torturers, but we did what we did because we thought it was necessary. Hazing 101 vividly reveals how fraternities haze, why they do it, and why they discriminate against the weak and unattractive. No other book out there has ever exposed so clearly what it feels like to suffer through the trials and tribulations of pledging a college fraternity. Darren Bryce tells it all: Rush Week, blackball votes, Hell Week, call-ins, line-ups, secret meetings, and the cruelest of hazing techniques.
