The Becoming a Contagious Christian Leaders Guide will enable you to conduct the Becoming a Contagious Christian sessions with peak results. It has been carefully designed to combine thoroughness with ease of use. The unique format and content of this guide enable ordinary people to help their groups reap extraordinary benefits. Becoming a Contagious Christian is a proven course designed to equip believers for effective evangelism in today's world. It avoids stereotyped approaches that feel intimidating to many Christians. Instead, it shows ordinary believers how they can share the Gospel in a natural and powerful way while being the person God made them to be. Each session's exercises, discussions, self-assessments, and video vignettes give step-by-step guidance to help participants become effective communicators for Christ to those around them. There's even a section on everyday answers that will help believers respond to difficult questions regarding Christianity.
