

Max Q Student Journal

Recognizing the pitfalls of postmodern student life, the Max Q Student Journal gives students a real and relevant way to stay strong in their Christian faith. With thought-provoking questions, the basic Max Q principles, and space for journaling, this book will prepare students to handle temptation and live the life of a true witness. As students learn to live out their faith without compromise during high-stress times, they will find new doors for peer evangelism opening before them. Students of today long to make a difference -- in order to do that they need something true, something real, something called Max Q.
