

# The Power That Changes the World: Creating Eternal Impact in the Here and Now

Exciting New Teaching from Bestselling Author and Bethel Church Leader Bill Johnson Two realities are evident in today's broken world: Our culture is in desperate need, and our God is a miracle-working God. How do believers answer the world's cries for help in a way that exhibits God's heart of compassion? According to bestselling author Bill Johnson, we simply embrace two additional realities: God's wisdom and his power. With biblical insight and extensive experience of seeing God's hand at work, Johnson offers keys to how believers can have the greatest impact on society. When we understand the long-term strategy of God's wisdom and the immediacy of his miracle-working power, we can create eternal impact and significance in the here and now, whether in our own lives and communities or in the farthest reaches of the world.
