

Calvin on the Christian Life: Glorifying and Enjoying God Forever (Theologians on the Christian Life)

John Calvin, a man adored by some and maligned by others, stands as a legendary figure in Christian history. In Calvin on the Christian Life, professor Michael Horton offers us fresh insights into the Reformers personal piety and practical theology by allowing Calvin to speak in his own words.

Drawing not only from his Institutes and biblical commentaries, but also from lesser-known tracts, treatises, and letters, this book will deepen your understanding of Calvin's theology and ministry by exploring the heart of his spiritual life: confident trust and unwavering joy in the sovereign grace of God.
