

Men of Honor

Men Of Honor is designed to challenge men on a person, yet practical, level to be better men and to accomplish much for the kingdom of God. We want to help men connect, create community, and reach their world for Jesus. We have to raise the standards for men in our churches and communities and it starts with us. This book is designed to be done in two five week sections. The first 5 weeks is about us as men figuring out our gifts, talents, and passions and how they can be used to bring God glory. The second 5 weeks is about looking outward to affect the world around us together with our brothers.
