

Cartas DE Un Esceptico (Spanish Edition)

In *Letters from a Skeptic*, Dr. Gregory Boyd and his father Edward Boyd debate many objections to Christianity, the church, and the Bible. Why is the world so full of suffering? Does God know the future? How can you believe that a man rose from the dead? Why do you think the Bible is inspired? Do all non-Christians go to hell? How can I be holy and sinful at the same time? Gregory Boyd initiated his correspondence with his father in the hope that his father would eventually come to know Christ. After three years, 30 letters, and numerous phone calls, Edward K. Boyd did just that. *Letters from a Skeptic* will help you wrestle with the rational foundation of your own faith. It will also help you know how to share your faith with the skeptics you love.
